

HELP MAKE STEAM NIGHT SHINE AT ESM!

K-6 Family STEAM Night

SAVE THE DATE: May 2, 2024 6 - 8 pm @ JrSrHS

Dear ESM Families,

We're gearing up for an incredible STEAM Night and we need your help to make it a success! This event is a crucial part of our mission to inspire students and foster their interest in the Science, Technology, Engineering, Arts, and Mathematics (**STEAM**) fields. It's an interactive, hands-on opportunity for our students and their families to experience the magic of **STEAM** in a fun, engaging environment. But to make this event as spectacular as we envision it, we need your support!

Here's what we need donated:

- Toilet paper rolls
- Paper towel rolls
- Empty tissue boxes
- Empty water bottles (16.9 oz only)
- Clothespins
- Decks of cards (even if not a full deck)
- Legos (any shapes, sizes)
- Plastic cups
- DVD/CDs (used/unused)
- Pop top lids from water bottles

Donation Drop-Off

Please drop off your donations at the school main office or send these in with your child to class. Every piece helps, and together we can spark creativity and excitement in our students!

Thank You for Your Support!
