

YOU ARE INVITED TO:

EASTPORT SOUTH-MANOR SCIENCE SYMPOSIUM

The Event Will Be Held On

WEDNESDAY

03

AT 6 PM

APRIL

Where

Eastport Elementary School
390 Montauk Highway

This evening guarantees to be a memorable experience! The High School Science Research Team will be presenting their findings on proteins, while the Astronomy class enlightens us about the upcoming Solar Eclipse. Additionally, there will be time for students to take a gallery walk of all K-12 science projects. Join us for a night of science exploration!
