Dear Parents and Guardians,

As you know, we have been using The Leader in Me which teaches leadership and life skills to students. The Leader in Me also promotes a culture of student empowerment highlighting the fact that each student can be a leader. We are proud of the many ways our students have grown as leaders this year and we are excited to invite you to our very first Leadership Day. This day offers you the opportunity to celebrate personal victories and leadership growth with your children. Please see attached, an invitation to our Leadership Days.

Your support and involvement will make this a memorable day for our students. I hope that you, or a family member, will be able to be a part of this, our first Leadership Day. We will work together to ensure that each student has someone to share their victories with.

As always, thank you for your ongoing support. We look forward to celebrating Leadership Day with our families.

Sincerely,
