### WHAT IS A PARENT LIAISON?

As a parent liaison your role will take the place of a class parent. You will represent your child's class by helping to facilitate strong communication between parents, teachers, and the SMPTA. This role will serve as the point of contact for not only your child's teacher, but also fellow parents in the class. For example, if the PTA is looking for volunteers, your role would be to request volunteers from your class to help out at the events, or organize classroom activities. OUR GOAL is to have at least two liaisons from each class represented in the SMPTA. You will have to join the PTA in order to be chosen as a parent liaison.

### I'M A PTA LIAISON, WHAT'S NEXT?

- ✔ Check in with your child's teacher to find out how you can help
- ✔ Recruit other parents to help with classroom & PTA events
- ✔ Attend PTA meetings when you can or communicate with the PTA Board to stay informed
- ✔ Keep the parents in your child's class informed on upcoming PTA events
- ✔ Create a class friendship list and GROUPME thread to stay connected throughout the year
