

# Student Comment - Police Investigation

Joseph Steimel • 13 hours ago • Wednesday, Sep 25 at 6:59 PM • Eastport-South Manor Central School District

Good Evening,

Late this afternoon the District received a notice from our Safe School Helpline.

The anonymous report indicated that a student on one of our athletic teams made sexual comments to other teammates, as well as stated that they had a gun; making a teammate feel uncomfortable.

The local Suffolk County PD were notified and are currently investigating the situation.

The parents of the student that made the comment have been contacted and will accompany their child to the building tomorrow morning to meet with Mr. Alaimo.

In addition, our security team is apprised of the situation.

We will maintain communication with our partners in the SCPD and provide you with any additional information if an update is necessary,

I request that you use this opportunity to review with your child the importance of, "*If you see something, say something*" as well as discussing the power of the words they may choose to use.

The safety and security of our students and staff is always the first priority at ESM.

As such, please know that we will investigate every report of a threat thoroughly.

Thank you for your continued support of our school district.

Joseph A. Steimel
