## TUTTLE AVENUE SCHOOL

### Celebrating October's Leaders of the Month: Embrace Proactivity

We want to congratulate the exceptional students who embody a "can do" spirit. These remarkable individuals take responsibility for their actions, attitudes, and emotions, never shifting blame onto others. They consistently do the right thing, even when unseen, and go the extra mile without needing to be prompted. Great job!

### Attendance Matters

We would like to take a moment to highlight the significance of consistent attendance for your child's academic success. Arriving on time and remaining for the entire school day allows students to engage fully in their learning and develop crucial skills.

To keep you updated on your child's attendance, we will be sending out emails containing details of all excused and unexcused absences to date. This will help you monitor the number of days your child has missed school.

Thank you for your ongoing support in ensuring your child is present and prepared to learn every day!

### Habit #2: Begin with the End in Mind

Let's talk about the next habit on our list: Beginning with the End in Mind. This habit is all about setting goals and creating a plan to reach them. Work with your little one to identify what they want to improve on. Is it reading, writing, or maybe math? Once they have a goal in mind, help them create a plan to reach it. You can even share your own success stories and ask them about their career aspirations. Encourage them to pursue their interests and provide support by reading together or with fun activities. Here are some conversation starters to get them thinking: "What's your plan once you reach your goal?" "How can we break this down into smaller steps?" "Do you need my help with anything to be successful?" Together, take the steps necessary to make their dreams a reality!

Wednesday - November 27th	----	Emergency Preparedness Early Release Drill
Thursday - November 28th - Friday - November 29th	All day	Thanksgiving Break - No School

# Discipline Matrix

In our assessment of the 2023-24 Districtwide Climate Survey, we have recently updated our Code of Conduct and Discipline Matrix to ensure that disciplinary measures are applied equitably across all schools. While this matrix is designed to foster fairness, it is essential to understand that we take student discipline very seriously. Each incident undergoes a thorough investigation prior to any decisions being made.

It is also important to highlight that disciplinary actions are confidential; details are shared only with the involved student(s) and their caregiver(s). We do not disclose the outcomes of other students' cases to anyone outside of their immediate families.

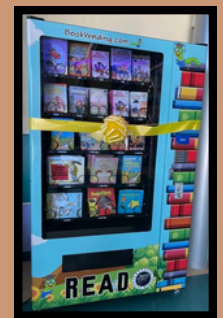

You can access the revised discipline matrix here:

# A Visit from the Wizards

A heartfelt thank you to all our students who finished their Summer Reading! During a school assembly, we celebrated their achievements by unveiling our new Book Vending Machine, generously donated by the EES/TAS PTO. Throughout the year, students will have the opportunity to earn tokens, allowing them to take home new books to enjoy.

## BOOK RECOMMENDATIONS

Thanksgiving: A Time to Reflect and Give Thanks With Thanksgiving right around the corner, it is important to take a moment to appreciate all the things we have to be thankful for. To instill this value in our children, I have selected a few books that encourage them to appreciate and give thanks for the many blessings in our world. If you are unable to find the books, simply click on each book and you and your child will be able to listen to the stories.

Happy reading or listening!!!!
