

SHARE THE WARMTH COAT DRIVE

As the temperatures drop, many families in our community are in need of warm coats for the winter season. Together, we can make a difference! Our school is hosting the Share the Warmth Coat Drive to collect new or gently used coats for those in need.

This is a wonderful opportunity to teach our children about kindness and the joy of giving. Every donation, big or small, can help bring warmth and comfort to a family this winter.

Students can bring coats to school up **until December 20th** and add them to our coat bin located in the Kindergarten hallway. Coats will be distributed to local families in need as well as the Lighthouse Mission.

Thank you for joining us in spreading warmth and love this season!
