Dear South Street School Community,

I hope this message finds you well as we transition into the New Year. I am writing to inform you that I will be taking a short leave of absence to recover from a recent medical procedure. During this time, district administration has been assigned to support South Street School and manage the day-to-day needs of our students and staff. This will ensure that daily operations and the exceptional learning environment we've built together continue seamlessly.

Thank you for your understanding and continued support. I look forward to returning soon and resuming my work with this wonderful community.

Sincerely,

John-Michael J. Jackson

Principal
