

"SOUPER BOWL"

is coming to TUTTLE AVENUE!!

As part of our Social Studies Curriculum the First Grade students at Tuttle Avenue School will be collecting cans of soup for The Eastport Bible Church. The cans of food collected will help fill the church's food pantry and help feed families in our community. We are asking that **ALL** students at Tuttle please help us by reaching our goal of 1,000 cans/items. This contest will end on Monday, February 3rd. If our goal is reached the entire school will earn a school reward of extra recess. Let's work together to meet our school goal and help others in need!

Besides soup cans the church is in need of any donations of pasta, Mac N Cheese, beans or really anything that can be microwaved easily!

GAME ON, LET'S WIN TOGETHER!
