

Eastport-South Manor District Autism Awareness Month Author Visit

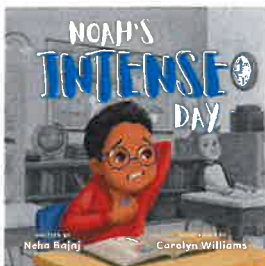

Author Visit from Children's Book Author, Neha Bajaj, on April 4th and 11th

Dear Parents,

As part of our Autism Awareness month activities this year, on April 4th and 11th, we will host Neha Bajaj, author of Noah's Intense Day. Noah's Intense Day depicts the sensory processing challenges often encountered by children with autism, ADHD and anxiety in a kid-friendly and relatable manner.

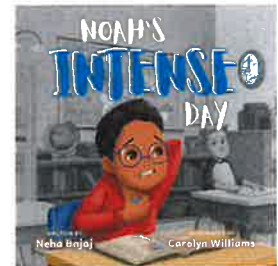

We will discuss the book writing and publishing process as well as how we each take in information through our senses.

If you are interested in learning more about the book, please visit www.NehaBajajAuthor.com. If you would like to purchase a signed copy for your child, please see below for payment and order details.
