honor the memory of
Briana H. Dolomite:

A TRIBUTE TO BRIANA: FOR EVERY ERA

A FUNDRAISING EVENT FOR THE STRONG AND BRAVE FOUNDATION

Briana enjoyed life through treatment. She joined us at temple as a participant in TAE's Talent Show and Square Dancing. She kept going to school and spending time with family and friends during a year filled with medicine and declining abilities. Briana loved making new friends, Taylor Swift, dancing, and Star Wars. She was sassy, fierce, and always up for a good time. Briana is missed every day. Briana's Foundation, created by Briana's family in her honor, helps provide families support and care.
